

SABRANG 2025

10th - 12th October

Sabrang

Sabrang is JKLU's premier annual cultural festival, a grand celebration of creativity, entertainment, and immersive experiences. Every year, it draws together students, artists, and performers from throughout the country, resulting in an electric atmosphere of music, technology, and artistic expression.

This year, Sabrang 2025 unfolds under the theme Noorvana—which is a one-of-a-kind mix of carnival magic and midnight splendor. From captivating performances, and engaging interactive experiences during the day to dazzling parties and high-energy celebrations under the stars, Noorvana promises an unforgettable journey of festivity.

A celebration of contrasts, this vibrant day-to-night transformation blends playful nostalgia with after-dark glamour in one cohesive visual experience.

As night falls, the mood shifts into a more immersive, glittering atmosphere with silver accents, reflective textures, and neon lighting.
